

TRIUMF and the Old Barn Community Centre present:

THE ATOM SMASHERS

A documentary film
that chronicles the
search for the **Higgs boson**:
a yet-undiscovered
subatomic particle
that could explain
how matter — and, therefore,
life — can exist

Saturday, October 24, 2009

7:00 — 9:30pm

Old Barn Community Centre

6308 Thunderbird Blvd.

Free Admission
