

# KEK-TRIUMF Scientific Symposium

December 14 & 15, 2017

**THURSDAY, December 14**

- 08:30**            **WELCOME**  
*Jonathan Bagger, Director, TRIUMF*
- 08:40**            **TRIUMF Update**  
*Jonathan Bagger, Director, TRIUMF*
- 08:55**            **KEK Update**  
*Masanori Yamuchi, Director, KEK*
- 09:10**            **Muons for Physics**  
*Naohito Saito, Director, J-PARC*
- 09:30**            **Muons for Material Science**  
*Iain McKenzie, Facility Scientist, Centre for Molecular and Material Science (CMMS), TRIUMF*
- 09:50**            **Belle-2**  
*Michael Roney, Professor, University of Victoria & Director, Institute of Particle Physics*  
*Chris Hearty, Professor, University of British Columbia, Institute of Particle Physics*
- 10:10**            **Science Reports**  
**UCN** – *Jeffrey Martin, Professor, University of Winnipeg*  
**Neutrinos** – *Takeshi Nakadaira, Associate Professor, Institute of Particle and Nuclear Studies, KEK*  
**Accelerators** – *Seiya Yamaguchi, Director, Accelerator Laboratory, KEK*  
**Nuclear Physics** – *Iris Dillmann, Research Scientist, TRIUMF*
- 11:30**            **CEREMONY – Opening of the KEK Office at TRIUMF**
- 12:00**            **Lunch [By Invitation Only]**  
*Main Office Building Conference Room*
- 13:00**            **Site Tour**
- 14:30**            **Coffee Break**  
*Auditorium*

14:45

**Parallel Sessions****UCN****Location:** Conference Room**Lead:** Jeff Martin – Professor of Physics, University of Winnipeg**Point Person:** Shinsuke Kawasaki – Assistant Professor, Institute of Particle and Nuclear Studies, KEK**Neutrinos (T2K, Targets, HyperK, NuPRISM)****Location:** Theory Room**Lead:** Takeshi Nakadaira – Associate Professor, Institute of Particle and Nuclear Studies, KEK**Point Person:** Akira Konaka – Research Scientist, Neutrino Physics, TRIUMF**Accelerators****Location:** ISAC-II Conference Room**Lead:** Seiya Yamaguchi – Director, Accelerator Laboratory, KEK**Point Person:** Oliver Kester – Associate Lab Director – Accelerator Science, TRIUMF**Nuclear Physics****Location:** Auditorium**Lead:** Iris Dillmann, Research Scientist, TRIUMF**Point Person:** Hiroari Miyatake – Professor, Institute of Particle and Nuclear Studies, KEK**Communications Workshop****Location:** Innovations Room**Lead:** Lisa Lambert, Strategic Communications

17:15

**ADJOURN**

17:30

**Transportation Leaves for Dinner***[KEK Visitors + Invited Guests Only]*

**FRIDAY, DECEMBER 15**

**08:00            Reports on Parallel Sessions**

**UCN** – *Jeffrey Martin, Professor, University of Winnipeg*

**Neutrinos** – *Takeshi Nakadaira, Associate Professor, Institute of Particle and Nuclear Studies, KEK*

**Accelerators** – *Seiya Yamaguchi, Director, Accelerator Laboratory, KEK*

**Nuclear Physics** – *Iris Dillmann, Research Scientist, TRIUMF*

**Communications** – *Lisa Lambert, Head – Strategic Communications, TRIUMF*

**11:00            ADJOURN**

**11:00 – 12:00    Directorate Meeting [By Invitation Only]**

*Main Office Building Conference Room*
