## VISITOR/USER Parking Permits

Mandated by an agreement between UBC and the GVRD, effective July 1<sup>st</sup>, 2010 the TRIUMF parking lot will be subject to the same Parking Fee structure as the rest of the UBC Campus. The use of TRIUMF parking spaces will require all motorized vehicles to display a valid TRIUMF parking permit. **These permits are valid on TRIUMF premises only**, and are **not** valid for use at any other location on the UBC campus. Please do not park your vehicle in spaces that have been designated for TRIUMF Authorized Vehicles, Handicapped, or RideShare. Parking is not permitted on local campus roadways, turn around areas, or unmarked laneways. Failure to abide by the parking regulations will result in your vehicle being ticketed by UBC or impounded.

- **CARS / SUVS / TRUCKS / VANS**

If you have more than one vehicle that you alternately use for your commute, your parking permit is transferable between the vehicles provided TRIUMF has a record of each vehicle license plate. One parking permit will be issued per employee. Parking permits may be purchased on an hourly, or monthly basis. All vehicle parking, except where indicated below, shall be limited to the TRIUMF parking lot.

- **MOTORCYCLES**

Parking permits are available for motorcycles at a reduced vehicle rate, and may be purchased on a monthly basis. Motorcycles are not permitted to park adjacent to any building, on any yellow marked lines, or within any pedestrian areas as this is in violation of fire regulations and may result in your motorcycle being ticketed and/or impounded by UBC. **Motorcycles are not permitted in the regular TRIUMF lot**, as the lot is reserved for cars and trucks. There will be designated motorcycle parking along the outside of the west fence of the ISAC building, near receiving.

- **DISABILITY PARKING PERMIT**

“Handicapped” stalls will be available for use by those displaying a valid SPARC BC permit. SPARC BC issues parking permits for people with disabilities in most municipalities across British Columbia. SPARC parking applications can be found on the following site: <http://oasis.vch.ca/docs/SPARC.pdf> There are no parking fee exemptions or discounts for the use of “Handicapped” stalls, just convenient parking. Regular permit fees apply. There will be one (1) VISITOR designated “Handicapped” stall in front of the reception area, and three (3) designated employee “Handicapped” stalls along the outside of the west fence of the ISAC building near, receiving.
